**Eligibility Rules:**

All current dealers inventory must be qualified to be eligible for the rebate.

1. For inventory to qualify, each dealer must email a list of all NEW current Stealth inventory with the complete serial numbers by end of business on 12/19/11.
2. This information must be emailed only to your distributor or directly to Stealth at [mwilliams@stealth4x4.com](mailto:mwilliams@stealth4x4.com) (faxed information will not be accepted for eligibility in this program). Any additional NEW unit purchased for inventory after 12/19/2011 will automatically be eligible.
3. Rebate period will run from 12/19/2011 through 1/31/2012. The rebate will only include units invoiced in this period of time.
4. \$250 Factory Direct Rebate to be paid directly to the customer by Stealth once the customer has met the rebate requirements.
5. \$250 Instant Point-of-Sale Discount at participating, authorized Stealth dealers. Check with your local dealer for availability.
6. Customer must mail qualifying documents to Stealth with a post mark before 2/28/2012.
7. Customer must fill out rebate form completely and attach a copy of the following: (this form will be located on the Stealth 4x4 website only).
  1. Completed warranty registration.
  2. Bill of sale or purchase agreement from dealer or distributor.
8. Consumers will receive the rebate within 30 days of approved submission.
9. Offer not valid with any other Sales Promotions from Stealth Manufacturing .
10. Offer valid for 72 Volt Night Hawk product category only.
11. Distributors can choose to opt out of this program for your distinctive area of coverage.
12. No distributor, dealer or any of their employees and family members can be eligible for the rebate in this program.
